**JOHN GRADY BURNS**

John Grady Burns is a native of Natchez, Mississippi, attended St Mary's Cathedral Schools and graduated with a Bachelor of Science degree in Retail Floral Management from Mississippi State University. He had the privilege of studying under Professor Emeritus Ralph Null. Upon graduation he was asked to travel to Washington, DC and had the opportunity to do flowers for the White House, The Blair House and numerous Embassies and other foreign and domestic Dignitaries.

He attributes his level of taste to the "Garden Club Ladies of Natchez" "Not only do they appreciate and preserve beauty, but they promote it." His second home is in Natchez, "Beekman Place Livery" a charming Bed and Breakfast.

In the 1980's John Grady worked in both the retail and wholesale end of the flower industry. He then was fortunate enough to carve out a niche in the floral arena specializing in weddings, parties and events. He taught floral design at Kennesaw State University for over 13 years and for the past 9 years has been teaching the art of floral design at Halls Atlanta Floral Design School.

He has done florals for The Atlanta Symphony Ball, Atlanta Ballet Ball, Junior League Ball, Atlanta's Swan Ball and for Wynnona Judd at the Cecil Scaife Visionary Awards held at the Governors Mansion. He has won numerous awards over the years as well as appeared in many major publications.

His events helped lead him to the publication of his three books, "Personally Yours, Flowers for Weddings, Parties and Events", "Evergreen, Decorating with the Colours of the Season" and "Collections, Sharing the Passion."

John Grady continues to lecture, lead demonstrations, seminars, book signings and flower programs across the country. He has recently been placed on the National Speakers list for the Garden Clubs of America as well as invited to become an Honorary Member of the GCA Chapter "Garden Lovers of Natchez". He is always grateful to have the chance to travel and meet new friends.
